

Prayer for the Beatification of Joseph Cardinal Cardijn  
Founder of the Young Christian Workers

Heavenly Father, you are the source of every good thing that comes unto us. We are thankful to you for the gift of Joseph Cardinal Cardijn to the world at large.

Cardinal Cardijn was a champion of workers who are co-labourers with you in recreating a new world where love, equality and justice will reign. He toiled all his life for the empowerment of the workers so that they may move from being powerless to be powerful with your divine help.

We, the members of the Young Christian Workers, having accepted and been inspired by Cardijn's spirituality, vision and See, Judge, Act methodology seek your divine intervention to declare the apostle of the workers a saint of the Holy Mother Church. We pray that through this, more young people will be led to the truth of your Word.

This we ask through Christ our Lord.

Amen
